Saint John, NB, E2K 5C3

Mr. Eric Levesque,

I would like to express my interest in applying for a position in the executive council of PEVOM. I am certain that my entrepreneurial and organisational skills will be beneficial to the executive council of PEVOM. I have both work and volunteer experience and I know that can translate over to PEVOM. In addition, I am ambitious and persistent in achieving my goals and objectives.

As a member of the school track and field team in 2018/19, I was required to give up my lunch hour over the course of many weeks to train for upcoming track and field meets. On one particular occasion, during a meet in Saint John, I was running the 400m. As the race started, I got a good jump on everyone else. Unfortunately, the runner behind me fell on to me. I landed hard on my elbow and got a long burn and scrape. By this point everyone was far ahead of me and I thought all was lost. However, I said to myself I won't give up. So, I stumbled to my feet and ran as fast as I could. My heart was pounding as I began to pass the runners. My arm stung and my legs were numb, but I continued to run.

I ended up coming 4th out of 11 people. That day I had the drive to keep running and although I only came in 4th I'm still glad that I gave it my all. It's that drive and desire to succeed that I want to bring to the executive council. To be without ambition is to have no desire. If you have no desire you will not be able to succeed. I am convinced that if you have the desire, you can achieve anything. If provided with the opportunity to participate on the executive council, I will not give up until we have earned every penny required for our voyage.

I look forward to an interview with you, and thank you for your consideration.

Sincerely,

Student X
